

WHEN DISASTER STRIKES HOME, WE'RE YOUR FIRST CALL FOR RAPID RESTORATION.

It's shocking and frightening when fire, water, wind, mold, or another crisis threatens the place that you and your family call home. We understand that amid the emotional upheaval, you need to make smart business decisions about how to fix the problems and protect your investment.

Our team has the knowledge and experience to fix your problems quickly, professionally, and on budget. We've been earning the trust and confidence of families for over 20 years.

DRIFORCE IS A COMPREHENSIVE SOLUTIONS PROVIDER WHO GETS THERE FAST AND SOLVES THE PROBLEM QUICKLY.

We provide 24/7 service 365 days a year, recognizing that time is of the essence during a crisis. Our comprehensive services encompass not only clean up and removal of damaged or contaminated materials but also expert contracting, ensuring your property is restored to a condition that surpasses its prior state.

Our master carpenters, drywallers and painters bring craftsmanship to every project, taking you from disaster to distinction.

We're a local company serving the Detroit market with local experts who understand the particular issues of our climate, local building codes and HOA rules.

More than getting the problems solved, we make the process as smooth and anxiety free as possible.

Join our DriForce Preferred Client Group and receive priority response when crises hit.

CALL US FIRST, *before* the insurance company. We are expert at navigating the particular and sometimes peculiar details of these policies. Our early involvement in the crisis can maximize the coverage received, greatly lowering your out-of-pocket cost to fix the problems.

We've earned the position of preferred vendor on lists of major insurance carriers because our quality and efficiency is unsurpassed.

CONTACT US, OUR LIVE OPERATORS ARE READY TO SPEAK WITH YOU 24/7, 365 DAYS A YEAR!
